Amboseli – Luxury

01

Amboseli National Park

Located in the southern reaches of Kenya, the Amboseli National Park is renowned for its excellent variety of wildlife such as Maasai giraffe, elephant, lion and cheetah and not surprisingly it is one of Kenya's most popular parks. The landscape of Amboseli is dominated by the majestic snowcap of Mount Kilimanjaro, as well as open plains, acacia woodland, swamps and the massif of Ol Doinyo Orok. The birding is excellent, especially closer to the lakes and swamps. The park is famous for being the best place in Africa to get close to large herds of elephants among other wildlife species. Other attractions include opportunities to meet the Maasai people and soak up spectacular views of Mount Kilimanjaro, the highest free-standing mountain in the world.
